

## Welcome, Campers!

Arrive Sunday afternoon, excited and ready for fun!

Throw your clothes in a drawer and hurry to decorate your room!

Then take to the halls, laughing with friends, and see the other creative room designs!

Next, grab your music folders and create your unique name tags!

Later, skip to dinner and raise the roof with your trivia game answers!

Meet the good-humored, entertaining, inspiring counsellors!

Finish the evening with a calming vesper service.

And that's just the beginning—

You've got a week full of this kind of fun and excitement waiting for you!

Each day begins and ends with God, the Alpha and the Omega; we wake up to morning watch, a devotion focused on Christ, and we end with evening vespers and hall prayers.

The rest of the day is devoted to music—choir, band ensemble, vocal ensemble, theory class, and your chosen elective.

Never fear, left-over time includes meals, free time, a little sleep, and evening entertainment. Your favorite evening might be camper talent show night or counsellor talent show night, but mine is handbell night.

I can't wait to sing for joy in the Lord with each of you,
